COMMISSION DELEGATED REGULATION (EU) .../...

of XXX

amending Regulation (EU) 2017/625 of the European Parliament and of the Council as regards the categories of consignments to be subjected to official controls at border control posts

(Text with EEA relevance)

EXPLANATORY MEMORANDUM

1. CONTEXT OF THE DELEGATED ACT

Regulation (EU) 2017/625 on Official Controls (OCR) establishes the framework for official controls and other official activities to verify the correct application of Union agri-food chain legislation. This includes official controls performed on animals and goods entering the Union from third countries.

The purpose of this Delegated Act is to add composite products, hay and straw to the categories of consignments which must undergo official controls at the border control post upon arrival to the Union.

However, the Act is linked to other Acts which will establish the following:

- The exemption of certain categories of composite products from official controls at border control posts (on the basis of Article 48 of the OCR) to apply from 21 April 2021, until which the current exemptions apply.
- A list of the relevant composite products, including their CN codes (on the basis of Article 47.2a of the OCR).
- Import conditions that should apply, from 21 April 2021, to the different categories of composite products and to hay and straw (on the basis of Articles 90 and 126 of the OCR, and of Articles 234(2), 237(4) and 239(2) of the Animal Health Law), such as listing requirements, certificates or attestations.

2. CONSULTATIONS PRIOR TO THE ADOPTION OF THE ACT

The Commission Expert Group "official controls" (E00911) was consulted at several occasions, and a number of meetings have been held with relevant stakeholders.

3. LEGAL ELEMENTS OF THE DELEGATED ACT

The legal basis is Article 47(3) of Regulation (EU) 2017/625.

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) 2017/625 of the European Parliament and of the Council on official controls and other official activities performed to ensure the application of food and feed law, rules on animal health and welfare, plant health and plant protection products, amending Regulations (EC) No 999/2001, (EC) No 396/2005, (EC) No 1069/2009, (EC) No 1107/2009, (EU) 1151/2012, (EU) No 652/2014, (EU) 2016/429 and (EU) 2016/2031 of the European Parliament and of the Council, Council Regulation (EC) No 1/2005 and (EC) No 1099/2009 and Council Directives 98/58/EC, 1999/74/EC, 2007/43/EC, 2008/119/EC and 2008/120/EC, and repealing Regulations (EC) No 854/2004 and (EC) No 882/2004 of the European Parliament and of the Council, Council Directives 89/608/EEC, 89/662/EEC, 60/425/EEC, 91/496/EEC, 96/23/EC, 96/93/EC and 97/78/EC and Council Decision 92/438/EEC¹, and in particular Article 47(3) thereof,

Whereas:

- (1) Regulation (EU) 2017/625 of the European Parliament and of the Council establishes the framework for official controls and other official activities to verify the correct application of Union food and feed law. That framework includes official controls performed on animals and goods entering the Union from third countries.
- (2) Regulation (EU) 2017/625 requires for certain categories of animals and goods that each consignment is made subject to official controls at designated border control posts of first arrival into the Union, because of the risk those categories of animals and goods may pose to public and animal health.
- (3) In addition to the categories of consignments already listed in Regulation (EU) 2017/625, foodstuffs containing both products of plant origin and processed products of animal origin (composite products), as well as hay and straw should undergo official controls at border control posts as they too may pose a risk to public and animal health.
- (4) Regulation (EU) 2017/625 should therefore be amended accordingly.
- (5) Since Regulation (EU) 2017/625 applies from 14 December 2019, this Regulation should also apply from that date,
