

TEMPORARY WORKER FRAMEWORK

For engaging workers at the University of Reading

This framework includes the most common rates of pay paid through Campus Jobs and the associated job titles. This framework is non exhaustive if you are unsure about what rate of pay to choose, please contact the [Campus Jobs team](#).

An additional 12.07% is paid to workers in lieu of holiday entitlement. 'On-costs', such as employers National Insurance contributions are still incurred for temporary workers, for more information and to view the Campus Jobs cost calculator please visit [Campus Jobs Approvals](#).

Useful Information

The Campus Jobs team can create 'associate IT accounts' on request. Associate IT accounts provide a Reading email account and Associate IT login and can be used to create an Associate Campus Card if needed. Depending on the role, your workers may be required to complete mandatory training on the UoRLearn platform. UoRLearn cannot be accessed from a student IT account. Associate IT accounts have access to UoRLearn and the user's training pathway for 30 days from the date of activation of the account. Please contact the Campus Jobs team if you require your workers to have an associate IT account.
