JFRESEPJJ

This document sets out key information about your Programme and forms part of your Terms and Conditions with the University of Reading.

Awarding Institution	University of Reading
Teaching Institution	University of Reading
Length of Programme	3 years
Accreditation	Board of Valuers, Appraisers, Estate Agents and Property Managers Malaysia (BOVAEP), Royal Institution of Chartered Surveyors (RICS), Singapore Institute of Surveyors and Valuers (SISV)

Programme information and content

The programme aims to: provide you with the knowledge and skills necessary for a successful career as a chartered surveyor or in a related profession; enable you to engage confidently with market and development processes; emphasise the value of interdisciplinary working; provide you with a structured but flexible learning framework; and ensure that the skill areas covered are applicable to a range of occupational and professional needs.

Part 1:	Introduces you to the fundamental principles of core subject areas including building, economics, law, investment appraisal, statistics and planning. A series of projects in real estate and planning will then enable you to develop skills and apply the knowledge gained through the taught modules.
Part 2:	Provides you with deeper knowledge of core topic areas and more specific application of those areas to the property industry. Areas covered include property valuation, real estate economics, planning and management. As in part 1, in-depth project work will enable you to develop skills and apply the knowledge gained through the taught modules.
Part 3:	The specialisation is in Appraisal & Asset Management. There is a set of core modules complemented by related in-depth project work. You will have a choice of additional modules as options.

Students studying this programme at the University of Reading Malaysia, are additionally required to complete the Mata Pelajaran Umum (MPU) programme prior to graduation, in accordance with Act 555 of the Malaysian Office for Education.

Optional modules:

The optional modules available can vary from year to year. An indicative list of the range of optional modules for your Programme is set out in the Further Programme Information. Details of optional modules for each part, including any Additional Costs associated with the optional modules, will be made available to you prior to the beginning of the Part in which they are to be taken and you will be given an opportunity to express interest in the optional modules that you would like to take. Entry to optional modules will be at the discretion of the University and subject to availability and may be subject to pre-requisites,

such as completion of another module. Although the University tries to ensure you are able to take the optional modules in which you have expressed interest this cannot be guaranteed.

Additional costs of the programme

During your programme of study you will incur some additional costs. For textbooks and similar learning resources, we recommend that you budget between 250MYR to 1000MYR a year. Some books may be available second-hand, which will reduce costs. A range of resources to support your curriculum, including textbooks and electronic resources, are available through the library. Reading lists and module specific costs are listed on the individual module descriptions.

Printing and photocopying facilities are available on campus at a cost of 0.12MYR per page (B&W).

Costs are indicative and may vary according to optional modules chosen and are subject to inflation and other price fluctuations. The estimates were calculated in 2021.
