### Programme information and content

The Postgraduate Certificate in Education (Reflective Practice) programme is designed to equip qualified teachers, or teachers training towards Qualified Teacher Status, with the professional skills necessary to become committed, effective, reflective practitioners who can respond flexibly to changing circumstances, maintain and enhance educational standards and continue to develop their knowledge, skills and understanding throughout their professional lives.

### Programme Learning Outcomes

-Postgraduate Certificate Education (Reflective Practice) (part-time)

During the course of the Programme, you will have the opportunity to develop a range of skills, knowledge and attributes (known as learning outcomes) For this programme, these are:

Learning outcomes	
1	To develop evidence informed teachers, with the knowledge and understanding of teaching as a professional and research-based activity, showing awareness of key issues in education and how they impact school settings
2	To create compassionate professionals, who are able to be empathetic and inclusive, showing pastoral understanding of children's needs

3	To develop pedagogically-skilled practitioners, who are responsive and reflective in order to meet the diverse needs of all learners
4	To foster critical curriculum thinkers, who develop rich subject knowledge and informed teacher autonomy in order to manage challenges of the 21st century
5	To develop ethical community participants who understand social justice and how this intersects with being a responsible local and global citizen
6	To develop skills and knowledge in early research methods

You will be expected to engage in learning activities to achieve these Programme learning outcomes. Assessment of your modules will reflect these learning outcomes and test how far you have met the requirements for your degree.

To pass the Programme, you will be required to meet the progression or accreditation and award criteria set out below.
